

sought employment in the Brooklyn Navy Yard and had the pleasure to work on the USS *Missouri*. As he continued working and living in the United States, Anthony applied for U.S. citizenship and became a naturalized citizen in 1943.

During World War II, he applied for military service, but unfortunately he lost most of his hearing in his left ear due to a diving accident he suffered from, and was unable to serve. Anthony still wanted to contribute to the country in whatever way possible, so he volunteered for civilian duty as an Air Raid Warden and served in this position until the end of the war. Air Raid Wardens were vital in ensuring the safety of everyone in the neighborhood and he did not take his role lightly. He returned to Malta in 1948, met the love of his life, and returned to the United States to start their new life together.

Anthony's exemplary life of service was motivated and fueled by his love of God, family, and country. He was a humble man who lived on a modest income and was very proud of his service as an Air Raid Warden. The service these dedicated civilians provided was vital in keeping civilians safe. It is important we acknowledge people like Anthony, who dedicated their services to a nation in need during a time of war. In honor and memory of Anthony Xuereb and all who served, and continue to serve, our great nation, I would like to take this opportunity to recognize his devotion to our country.

SUPPORT OF H.R. 4665, THE OUTDOOR RECREATION JOBS AND ECONOMIC IMPACT ACT

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Monday, December 5, 2016

Ms. BONAMICI. Mr. Speaker, I rise today in support of H.R. 4665, the Outdoor Recreation Jobs and Economic Impact Act, introduced by my friend from Virginia, Congressman BEYER. I am proud to be a cosponsor of this legislation to highlight the importance of the outdoor recreation economy.

In Oregon, we know how important the outdoor industry is to our economy. Northwest Oregon businesses like Keen, Columbia Sportswear, and Nike have thrived and brought thousands of jobs to our communities. Surveys conducted by the Outdoor Industry Association in 2012 show that, in my home state, the industry contributes 141,000 direct jobs, \$4.0 billion in wages and salaries, and \$12.8 billion in consumer spending annually. Nationwide, outdoor recreation generates \$646 billion in consumer spending every year.

The climbers, hikers, hunters, and anglers who are passionate about the outdoors spend time and money in hotels, campgrounds, restaurants, and stores in nearby communities, providing an economic boost for local economies. They also purchase necessary attire, gear, and footwear from innovative businesses to help them reach the summit, catch fish, and enjoy our nation's natural treasures.

I am proud to support the Outdoor Recreation Jobs and Economic Impact Act.

PAYING TRIBUTE TO NATHANIEL JONES ON HIS RETIREMENT

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 5, 2016

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor an outstanding educator, Superintendent Nathaniel Jones of the Metropolitan School District of Pike Township. Superintendent Jones is retiring after 43 years of exceptional service to students and the community. The people of the Fifth Congressional District of Indiana are forever grateful for Superintendent Jones' contributions and commitment to the students of the Pike Township School District and to our Hoosier community.

Superintendent Jones is an Indianapolis native. He received his formal education from the Indianapolis Public School (IPS) system. After graduating high school Superintendent Jones went to Indiana University where he pursued his interest in education. Upon completion of his B.S. in Elementary Education, he returned to IPS where he taught elementary school as well as adult education classes for five years. He returned to IUPUI to earn his M.S. in Education as well as an Administrative Certificate. In 1978, Superintendent Jones was named Assistant Principal to John Strange Elementary School of the Metropolitan School District of Washington Township, and shortly thereafter in 1980 he was named Principal of Delaware Trail Elementary, at age 27, making him one of the youngest principals in the state of Indiana. He served the Washington Township School system in a variety of positions over 25 years; he served Washington Township as Principal, Director of Elementary Education, and as Assistant Superintendent of Curriculum and Instruction. His leadership proved truly transformational as every school he led as Principal attained state and national recognition for academic achievement. In 1982, he earned his Education Specialist Degree in School Administration from Indiana University, Bloomington and in 1994 his Superintendent Certification. In 2003, he became the first African American to accept the role of Superintendent for the Metropolitan School District of Pike Township and the first African American IPS graduate to be a Superintendent in the state of Indiana.

Superintendent Jones has been instrumental in creating positive change in each of the school systems he has served. Pike High School in particular has made monumental strides under Superintendent Jones' leadership. Pike High School has one of the most successful pre-collegiate programs in Indiana with over 85 percent of students attending post-secondary institutions upon graduating from high school and has a graduation rate of over 91 percent. In 2005, the Standard & Poor's ratings recognized Pike High School for significantly narrowing the Black-white and Hispanic-white achievement gaps. During Superintendent Jones' tenure the number of scholarships and grants received by Pike students has grown tremendously. Pike High School boasts the highest number of Gates Scholars in Indiana. Superintendent Jones also implemented the STEM Center and spearheaded major construction and renovation of many facilities, and earned over \$75 million in Federal Competitive Grants from

2005 through 2015. Superintendent Jones' tireless efforts to seek educational grants and funding opportunities helped in part to create the Youth CareerConnect program. This program offers work-based learning opportunities that teaches students marketable and useful STEM skills empowering students in future learning as well as career opportunities. Through the collaboration of Superintendent Jones' visionary leadership, the help of a supportive board, dedicated administrators, extraordinary teachers, and engaged parents, Pike Township schools have become a more positive learning environment where student achievement continues to soar.

Throughout his career Superintendent Jones has received numerous awards that recognize the accomplishments and contributions he has made to education in our community. From Indiana University he received two "Distinguished Alumni Awards". In 1996, he earned the Milken Award, which aims to grant funds to accomplished mid-career educators. He received the Achiever Award from the Center for Leadership, is a recipient of a Sagamore of the Wabash Award, has received a Congressional Salute, and he received two District of Distinction awards. He was selected as one of the 100 top administrators in North America by the "Executive Educator" and has received over 60 local, state, and national awards for his leadership and innovative approach to educating students, teachers, and the community. His award winning work is well regarded not only from these institutions but from his peers and fellow educators. He has been invited to conduct and participate in numerous conferences throughout the United States. In addition, he is a lifetime member of the NAACP and in 2011 he was featured in the "Education Executive Publication" as a Trendsetter, and in a Who's Who in "Black Indianapolis".

Superintendent Jones continues to serve the community through his roles on numerous boards. He currently sits on the Board of Directors for American Heart Association, he was the Chair for National Council on Educating Black Children Conference in 2015, and he was the Board Chairman for Conner Prairie in 2011. In 2008, he served on the Indianapolis Marion-County Public Library Board of Directors and the Teachers' Treasures Board of Directors. He was the coordinator for the Lilly Initiative supported by the Lilly Endowment in 2000 through 2003. He was on the State Advisory Committee on Textbook Adoption in 2001 through 2003.

I am proud to thank Superintendent Jones for his service in helping the students of Pike Township graduate from high school with the essential skills necessary to be confident, creative, productive, and prosperous in college, careers, and life. He has always put the needs of students first throughout his educational career and truly enriched the lives of so many. He takes great pride in addressing the individual needs of the children he serves. Superintendent Jones never overlooked the fact that his students come to him from a variety of backgrounds, possessing individual gifts, talents, challenges and dreams. On behalf of all Hoosiers and the nation, I'd like to congratulate Superintendent Nathaniel Jones on his success and wish him, his wife Cynthia, two children, and their families all the best as Superintendent Jones enjoys a well-deserved retirement.

HONORING MR. DOUG SIDEN

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 5, 2016

Ms. LEE. Mr. Speaker, today I rise to honor the invaluable service to our community from the leadership of Mr. Doug Siden, and to congratulate him on his retirement from the East Bay Park District Board of Directors.

Mr. Siden has served for the past 24 years on the East Bay Regional Park District (EBRPD) Board. During his tenure, Mr. Siden recognized the importance that the East Bay Parks play in the lives of so many local residents, and has worked tirelessly to provide access and an enjoyable experience for visitors to all of the District's 66 locations.

As an EBRPD Board member, he worked diligently to help EBRPD pass Measures CC and WW to support and expand the system. At \$500 million, Measure WW was the largest bond measure ever awarded to a local district to acquire and develop new parks, and it helped the Park District meet the increasing demand to preserve open space for recreation and wildlife habitat.

Mr. Siden served for many years on the East Bay Economic Development Alliance's Executive Board, was a founding member and served as a chairperson of the Martin Luther King Freedom Center in Oakland, and led the fight to establish the Alameda County Creek and Watershed Symposium. Additionally, during his career he has served on the advisory committees of the Golden Gate National Recreation Area and Pt. Reyes National Seashore.

Mr. Siden is also a longtime Rotarian and has served as a Baptist minister for over six decades. He directed a youth camp for Baptist Churches of the West for 20 years, and led the effort to establish year-round camps in Santa Cruz and near Lake Tahoe. He holds an honorary Doctorate of Humane Letters from the American Baptist Seminary of the West for his leadership.

On a personal note, Doug has been a longtime friend and partner in the East Bay, and I greatly appreciate his leadership and counsel. I wish him well on this new chapter of his life.

On behalf of the residents of California's 13th Congressional District, I congratulate Mr. Doug Siden on a well-deserved retirement. We honor his tireless support of open space, parks, and healthy recreation, and also for his vision of a more ideal world in which all can enjoy and benefit from these natural treasures.

BEST OF LUCK TO TEXAS 02'S FOOTBALL TEAMS AT STATE SEMI-FINALS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 5, 2016

Mr. POE of Texas. Mr. Speaker, sweet tea, BBQ, and football—these are just some of the things Texans love dearly. From high school football to college football, Texans will come out to every game no matter what the temperature and weather are. Our commitment to our football teams is so strong that preachers will find a way to mention the local team in their sermons and make sure you get home just in time to watch the game with friends and family.

Football is a very special part of the culture in Texas. From the stadiums to the food to the different student clubs that gather in the stadiums, football games unite Texans. The bands, the drill teams, the cheerleading teams, the students that form it all—they are an extraordinary group that make the culture and character of Texas so unique in the United States. More than just uniting families and friends, football allows our community to share in the joy of victory and the sadness of temporary defeat; it teaches our children to keep working hard for their goals both individually and with their teammates.

Although professional and college football receive the most national attention, high school football is just as important in Texas. I still remember going to my son's football games, from his start at pee-wee leagues to his career playing for my alma mater, Abilene Christian University. Those memories make me even more proud to say that two high schools in my district have met their goals and broken records this season.

Atascocita High School is fighting for a chance to compete in the state championship. Last year they had a record-setting playoff run, reaching the Region II-6A Division I final. This year, they raised the bar even higher. With the outstanding sportsmanship of their players, the football team of Atascocita High School has exceeded expectations. I know how proud the players, their parents, and their school must be. Ranking at Number 18 in the state, the Eagles have some of the most promising players on their team.

Quarterback Daveon Boyd, now a senior, has received four awards throughout his high school football career. He has surpassed the national average in number of yards, yards per game, touchdown passes, completion percentage, attempts, and interceptions. This season alone, he's had a 63 percent pass rate for 4,139 yards and 46 touchdowns.

But Boyd is not the only outstanding player in Atascocita High School. Samuel Cosmi, the offensive tackle, is a University of Houston pledge. Defensive tackles De'Marius Brooks and Kendrix Burford, along with defensive backs Justin Campbell, Alerick Soularie, and Travian Blaylock give the Eagles an edge in size and speed.

Another high school in my district, Klein Collins, won its first regional semi-finals at Baylor's McLane Stadium in the Division II Region II-6A playoffs. While all the players have done outstanding work, senior running back D'Anthony Doyle rushed 167 yards and got a

couple of touchdowns, making him the hardest working player that game. His teammate, Josh Powell, also earned the team two more scores. At the end of the game, the team's hard work left the team with a 54-16 victory over John Tyler. As a proud dad who beamed in the stands watching his son play, I know how thrilled their parents will be watching them play against Spring Westfield on December 2.

I am incredibly proud of the students of the Atascocita and Klein Collins High School football teams for their successes this season. It is great to see students in my district represent us so well with their hard work and talent. I look forward to their upcoming games and seeing them succeed and exceed expectations for years to come. Best of luck at State Semi-Finals.

And that's just the way it is.

MERCHANT MARINE OF WORLD WAR II CONGRESSIONAL GOLD MEDAL ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 30, 2016

Ms. JACKSON LEE. Mr. Speaker, I rise to express my strong support for the bipartisan H.R. 2992, the "Merchant Marine of World War II Congressional Gold Medal Act," introduced by my colleague, Congresswoman SUSAN BROOKS of Indiana.

I stand to recognize every service member who has dedicated his or her life to the protection of this nation and the world.

The Merchant Marines of World War II were vital in the collective effort to defeat the Axis powers.

Serving our military as a distributor, Merchant Marine fleets carry imports and exports during peacetime and become a naval auxiliary during wartime, delivering troops and needed war supplies and materials.

Many Merchant Marines have sacrificed their lives, perishing at the highest rate of casualties of any service members, sometimes as high as 1 in 24 in any given mission.

During World War II, a total of 1,554 ships were sunk by German U-boats, including 733 ships weighing over 1,000 gross tons.

One hundred forty Merchant Marines have been awarded the Distinguished Service Medal, the Merchant Marine's highest honor, seven of whom were cadet graduates from the U.S. Merchant Marine Academy.

Mr. Speaker, I support H.R. 2992 which honors those civilians who answered the call to serve our nation in the United States Merchant Marines during World War II.
